Response to Notice of Non-Compliant Amendment

Sir:

Applicant submits this communication in response to the Notice of Non-Compliant Amendment ("Notice"), mailed November 3, 2009. As this communication is being submitted before the end of the one-month period for reply, no extension of time is necessary.

The Notice alleges that the drawings submitted on October 20, 2009 were not identified properly in the top margin. In response to the Notice, Applicant attaches a set of 12 replacement drawing sheets, comprising replacement sheets 1-12, each page annotated as "Replacement Sheet". No new matter has been added.

Except for the notation "Replacement Sheet" added on top of the pages, the drawings are otherwise identical to those filed on October 20, 2009 and on the application filing date of March 22, 2006. These drawings are being resubmitted as part of Applicant's request for republication of the instant application to correct errors in the published patent application attributable to the Office.

Please charge any fees which may be due to Deposit Account No. 23-1703.

Dated: November 6, 2009

Respectfully submitted,
/Andrew Fessak/
